And What Have You

By BOB CRAIG

Do you ever wonder why it seems harder every year to find volunteers to work with our youngsters in summer baseball, scouting, churches, and even school? It may be that Bob Hamilton, writing in the Iowa Park Leader, has the answer.

"We parents are going to be the ruin of our children.

"That statement has been a long time coming, but maybe it's not too late. But some of us are doing what we feel is the best for our offsprings, except it is working in the exact opposite.

"What it is we're doing, is to be overprotective of our little darlings... making sure we give or get for them what we always wanted for ourselves.

"With our actions, we may be accomplishing what we seek, but impairing the opportunities for those to follow.

"For instance, we are giving people fits who are trying to work with our children. It doesn't seem to make any difference if it's a Little League coach or game official, a Girl Scout Leader, a teacher or what. We either take advantage of them or mistreat them, all in the guise of taking care of our children, and their rights.

"Check with someone who works with volunteer organizations which benefit children. You will find it is almost impossible to find a team coach, an umpire, a leader, just anyone to accept responsibility.

"That's either because we've given them so much trouble in the past no one wants to serve, or we turn our children over to them and go on our merry way, not offering to assist.

"I had a teacher to tell me just recently of quitting the business, because there was no respect for teachers and no authority for teachers to care for those without respect.

"Parents, not the students, almost caused the abolishment of cheerleaders at the (Iowa Park) junior high recently. They raised so much fuss... one teacher was even accused of falsifying voting totals... that they were told to drop the argument or there would be no more cheerleaders.

"This happened a few years ago at the high school, concerning twirlers.

"We were trying to give some recognition to a group of junior high students recently, for painting Bicentennial scenes on a downtown window, by showing part of their efforts in a photograph.

"Man, the next morning this newspaper (Iowa Park Leader) was treated like we had cut the heart out of every child in the community, because we had not included the woman's little darling in the photograph.

"It didn't mean anything to her that some other little darlings had also been left out. It wasn't what we wanted for our readers and newspapers, but what she wanted for her child.

"It's my feeling that we should help those who work with our children, all we can. Along with that, we should teach our children respect for those who work with them.

"Let's help our children by helping them, and those who accept the responsibility of working with them. Who knows, maybe we'll still have some helpers around for our grandchildren?"

As you can see by Bob's column, our problems are just about the same everywhere. Most of us want to give everything to our children but our time. We want the very best that money can buy for our youngsters and expect someone else to furnish the time and effort to give our kids all of the things we do not have the time to give them.

Democratic Primary Election Saturday

All Jones County Democrats living in the Hamlin area will vote at the Hamlin high school building Saturday in the Second Primary. Both election boxes one and 14 have been combined for this election.

Because of an expected lighter turnout in voters the 14 election boxes in Jones County have been combined into nine.

Polls will open at 8 a.m. and close at 7 p.m.

Local Democrats will vote on two statewide run-off elections while voters in the southern part of Jones County will also vote on the Commissioner for Precinct 3.

The two statewide races are for Railroad Commissioner and Criminal

Appeals Judge. In the runoff for Railroad Commissioner are Jerry Sadler and Jon Newton. Seeking to fill the unexpired term on the Criminal Appeals Court are Carl Dally and W. T. Phillips.

In the contest for Commissioner of Precinct 3 are P. A. Lynn and Don Doty who each polled 301 votes in the first election to make it into the runoff.

Three to Attend Salvation Army Summer Camp

Three local boys will attend one week of summer camp beginning July 3 at Salvation Army Camp Hoblitzelle near Dallas, according to Erma Wallace, Salvation Army Service Unit Committee camp chairman.

Attending the camp will be Roel Arce, Humberto Arce and John Gonzales.

They will leave by bus for camp July 3 and will be met by a Salvation Army representative. Each boy's trip is paid for by the local Salvation Army Service Unit Committee.

They are part of a group of 900 boys from all over Texas who are chosen to attend four one-week summer camps.

Local FFA Officers To Leave Today For Conference

Officers of Hamlin Future Farmers of America for the coming year, Mark Carter, vice president, and Guy Turner, treasurer, accompanied by Vocational Advisor Milburn Wink, will leave by car today (Thursday) for the Bicentennial '76 Washington Conference Program.

Site for the conference will be in Alexandria, Va., at the Olde Colony Motor Lodge just outside Washington, D. C., near the National FFA Center.

The trio will travel by car and plan to do some sight-seeing before the June 7-12 conference and on their return home.

Letters have been written to Congressman Omar Burleson, and Senators John Tower and Lloyd Bentsen. Confirmations have been received from the offices of Burleson and Tower that they will be able to meet with them.

Seven conferences are scheduled during the summer. Each conference begins at 7 p.m. Monday and ends at 8 a.m. Saturday. Only two officers per Chapter are permitted to attend.

Oak Grove Sets Dinner Saturday

The Sunday School of Oak Grove Baptist Church will sponsor a dinner Saturday, beginning at 5:30 p.m. according to Louberta Maxwell, Sunday School superintendent.

The menu will consist of fried chicken, peas, broccoli and rice, fruit salad, assorted pies, Louberta's hot rolls, and ice tea.

Price per plate will be \$2.25.

The public is invited.

Swim Lessons To Be Offered

Beginning June 14, Coach Bill Grissom will be teaching swimming lessons to children, beginning at age 5, at the City Pool.

There will be three classes per day and classes will be arranged according to age groups, he said.

Ten lessons will be taught over a two-week period at a charge of \$20. For more information concerning lessons, call 576-3126. Names should be called in as soon as possible, so that classes and times may be arranged.

Summer Hours For Library Set

Barbara West, librarian for Harden Memorial Library, announces that the Library will remain open each day from 9 a.m. till 5 p.m. throughout the summer months.

Everyone is encouraged to visit the library and enjoy the variety of books there.

TRAIL RIDE

The Hamlin Riding Club members will leave at 9 a.m. Sunday from the riding arena for a trail ride to South Lake.

Lunch will be furnished by the Riding Club and riders will return after it is served. All members are welcome.

HAMLIN HIGH SCHOOL GRADUATING CLASS OF 1976
... 54 seniors receive diplomas

54 Graduates Receive Diplomas Here Friday

"Life, Liberty and the Pursuit of Happiness" was the theme of State Senator Ray Farabee's address to the 54 graduates of Hamlin High School here Friday evening. The exercises were held in the First Baptist Church auditorium.

One of the highlights of the evening was the presentation of five scholarship given by local organizations. The presentation was made by B. V. Newberry, principal. This was the first year for two of the scholarships and the five scholarships totaled \$950.

Receiving one of the new scholarships was Shorty McIlwain, son of Mr. and Mrs. Billy McIlwain. The \$200 award was made possible by friends and relatives of deceased HHS ex-students and is the Ex-students Memorial Scholarship.

Receiving the first \$250 scholarship to be awarded by the Hamlin Lions Club was Rick Craig, son of Mr. and Mrs. Bob Craig.

Debi Cary, daughter of Mr. and Mrs. Robert Cary, received the annual \$100 scholarship given by the Woman's Literary Club. This year's Scholarship was given in memory of a member, the late Mrs. Ira Parker.

The Ex-student Association awards two \$200 scholarships each year. Receiving these were Andy Contreras, son of Mr. and Mrs. Trine Contreras, and Debbie Light, daughter of Mr. and Mrs. O. P. Light.

Principal Newberry also announced grants and

scholarships that had been received by Hamlin seniors in the amount of \$18,875.00.

Recognized in this group were Elaine Carlton, Sherrie Carter, Tammie Jo Harris, Diane Johnston, Debbie Light, Kathryn Marshall, Glenda Williams, Stacy Brown, Jeff Cary, Andy Contreras, Rick Craig, Gary Ford, Randy Hudgins, Raymond Jordan, Connie McIlwain, Ken Maberry, Garry Don Mayes, Julio Villanueva, Ricky Villanueva, Steve Williams, Daniel Willis and Debi Cary.

Included in the 54 graduates to receive diplomas from W. T. Johnson, president of the Board of Education, Bob Hawes, superintendent, and Newberry, were 11 honor graduates.

Gary Ford, class valedictorian, gave the class farewell and Tammie Harris, salutatorian, welcomed relatives and friends to the exercises. Ford's farewell was in the form of letter of appreciation as written to Mom and Dad; Teacher; Brothers, Sisters and Friends; and to God.

Miss Harris used the colors of the rainbow in her welcome to express that graduation is both a beginning and an ending. For some, she said, graduation is an ending, the pot of gold at the end of their rainbow; but for others, it is the beginning of another rainbow.

Each color, she said, has a definite meaning, and cited leadership, strength and endurance, happiness, pride, truth, and God as representative of the many colors.

Craig, class president, presented a check to the school from the senior class for reception room furniture for the high school building.

Attends School

S. C. Ferguson, vice president of F & M National Bank, attended the Third Annual Intermediate School of Banking sponsored by the College of Business Administration at Texas Tech University, May 23-28.

Representatives of 72 banks from Texas and New Mexico participated in the week-long program.

Punch and cookies were served by mothers of the students.

The children presented Mrs. Clifton with an engraved charm from the class.

HOT AND HEARTY

Properly priced so as not to make a pig of itself eating up your budget, properly spiced pork is a pleasant way to save. And when it's braised, you're praised.

BRAISED PORK LOIN AND KRAUT

1 rib end pork loin, 3-4 lbs.
1 teaspoon salt
1/4 teaspoon ginger
1/8 teaspoon garlic powder
1/8 teaspoon pepper
1/4 cup gin
2 onions, thinly sliced
1 can (1 lb.) sauerkraut, drained
2 tart apples, peeled and chopped

Trim excess fat from outside of meat. Rub meat with mixture of salt, ginger, garlic powder and pepper. Heat Dutch oven or deep saucepan, grease lightly with piece of pork fat. Brown meat well on all sides. Drain fat from pan. Warm 2 tablespoons gin in a large ladle or small pan. Pour over meat and ignite. When flames go out, add onions to pan. Cover, reduce heat, simmer 45 minutes. Add drained sauerkraut, apples and remaining 2 tablespoons gin to pan. Cover, cook about 1-1/2 hours longer, until meat is tender and starting to pull away slightly from bones. Makes 4 to 6 servings.

A dish like this could become the apple of your family's eye.

the gospel truth

by Bro. Marshall Townsley

This week I have a special word for the graduates of Hamlin High School.

No doubt many of you will be experiencing new responsibilities as you leave the surroundings of your peers and familiar faces. Up to this time, you've made very few definite decisions concerning your future. Before you go any further, I'd like to ask a question. Have you considered what God wants for you? Very few of your parents have ever asked this question consequently you were never taught to consider it.

Man has been taught to be very self-sufficient and to be led by his own lustful desires. I know because that was what I was taught. "Do what you want to do" or "Do your own thing." No matter how popular you are or how talented you might be - without God in complete control - YOU WILL FAIL. I'm not suggesting that he be your co-pilot. I'm asking you to let him be the pilot - your lord in every decision.

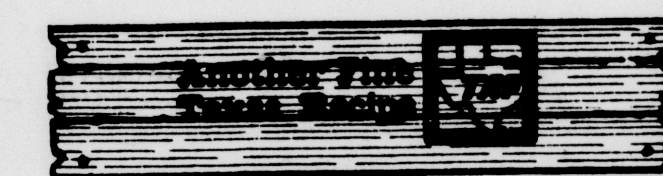

God is very much concerned with the different facets of your lives, and desires to answer your questions concerning social guidance, vocational guidance, and spiritual. Nowhere in his Word does he tell all to be missionaries to a foreign land or grocery clerks at a nearby supermarket; but He does have a principle that will work in every decision, whether great or small.

God tells us in Romans 12:1, 2; "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Here the Holy Spirit instructs born-again believers to present their bodies and minds unto God that they might experience the perfect will of God. We see the total man (spirit, soul, and body) completely dedicated and committed unto God in these scriptures.

Before we can be instructed or receive guidance concerning our future, we must first learn the voice of the one who sends us out. There must be that deep and intimate relationship with the One that made us; learning his desires, his words, and becoming one with him in everything. Satan has many voices of deception, unto the One who is concerned about us. Then we can experience the guidance of the Holy Spirit.

Without him - you will fail! With him - there are no limits. Please write us and let us pray with you.

FIFTY YEARS AGO
(June 4, 1926)

The writer and evangelist of the Church of Christ in Hamlin closed a real good meeting Sunday night with an overflow audience. In fact the meeting was well attended, and much interest manifested throughout, despite the very unwelcome tent show in town and the exceptionally busy week with the farmers.

Last Monday was a good day for the Rural Mail Carriers of this district. About one hundred and fifty carriers, postmasters and their wives and children were here. The program was held in the High School auditorium with President Slater of Clyde presiding.

Owing to the fact that Slater was late in arriving the program did not get underway till about eleven o'clock. At that time the convention opened by singing America, being led by Evangelist Reynolds of the Church of Christ. Then he offered the invocation. The next on the program was Mayor Turner who spoke to welcome the visitors to Hamlin, emphasizing the importance of the rural mail service, and closing with a few remarks on the services of those who rendered the supreme sacrifice to their country.

This week Hamlin is seeing one of her best and oldest families move to another town. Mr. and Mrs. Gray who have lived in Hamlin almost before there was a Hamlin are taking up their home in Sweetwater. The Herald voices the regrets of all our people in this loss. Mr. Gray entered the lumber business here at the very start of Hamlin. He has built several real nice homes here, and in many ways has contributed to the upbuilding of Hamlin. The Herald would not think of letting this family go with out saying Mrs. Gray will be missed in Hamlin quite as much as her husband. She has figured prominently in the social affairs of Hamlin all these years they have lived here. She is a very public spirited woman and her influence will be missed very much here.

Miss Karen Harden is at home from S.M.U. to spend the summer.

Mr. and Mrs. Tom Shelburne of South Hamlin are happy over the arrival of a fine new girl at their home Sunday afternoon.

Frank Taylor, a student of SMU came home Sunday to spend his vacation in Hamlin.

Mr. and Mrs. H. A. Stacy returned Monday from Plainview where they had been to see their daughter, Mrs. A. L. Tally who had been sick. They left her much better.

Mack Rash, age about 23, a son of Public Weigher Geo. W. Rash of Spur, was drowned in the Aspermont Lake Sunday morning about eleven o'clock. Reports say that Rash and another man named Williams were rowing a boat across the lake and the bottom of the boat fell out and Rash having on boots and heavy clothing he was unable to swim.

This young man had only been married a few weeks and Sunday Rash and his young wife and Williams and his wife were spending the day on the lake and it was while the women were preparing for the noon lunch and the men were coming in that the sad accident happened.

TWENTY YEARS AGO
(June 7, 1956)

Hamlin School's new \$150,000 gymnasium and band room was taking shape this week with the pouring of concrete foundations for the 140x130 foot brick and tile structure, located just west of the north section of the Hamlin High School building.

Lennie Johnson and Joe Deel, freshmen boys of Hamlin High School, were in Alpine last weekend as representatives from the local school attending the annual convention of Area II for future Farmers of America. The group was planning for the state FFA convention to be held in Dallas next month. They were accompanied by Harold Eades, VA instructor.

On their return trip the trio visited the observatory at Fort Davis and other scenic and interesting points.

A couple of Hamlin young men realized that it is not such a big world, after all, a few days ago. Private First Class Herbert L. (Hub) Hopper, who is serving with the U. S. Army in France visited with his brother, Sergeant Avery G. (Gene) Hopper, who is serving with the U.S. Army in Germany, the other day. Hub Hopper left the states for France April 2, 1955, and Sergeant Avery G. Hopper left for Germany April 6, 1956. Hub is eligible for a discharge in September. The

boys are sons of Mr. and Mrs. Eddie B. Hopper.

Judge Ralph Yarborough, Democratic candidate for governor will speak in downtown Hamlin Saturday afternoon at 1:25 o'clock. His appearance is sponsored by the Jones County Democratic Club under the direction of Bernard Buie of Stamford.

Inree Hamlin young people have registered for McMurry College's sixth annual summer band and twirling school, to be held at Abilene July 15 to 28.

They are Jerry Crowley, son of Mr. and Mrs. C. B. Crowley, Sara Kay Fomby, daughter of Mr. and Mrs. E. B. Fomby; and Everett Gibson Jr., son of Mr. and Mrs. Everett Gibson.

Baptists of a 12 county area comprising District 17 will attend a district rally at Lueders Baptist Encampment grounds Monday, June 18.

Activities will begin at 10 a.m. and will continue through an evening worship service. Families are invited to come and spend the day or any portion of the day they can, leaders announce.

Harold Eades, instructor of vocational agriculture at Hamlin High School, left this week for College Station, where he enrolled at Texas A & M College for the summer session.

Eades is working on his master's degree at the big state school, majoring in agriculture, of course.

TEN YEARS AGO
(June 2, 1966)

The Hamlin Foundation Swimming Pool was opened Tuesday afternoon by Dan Truelove, operator.

The pool will be open each Monday through Saturday from 1 to 6 p.m.

The Jaycee Tennis Tournament will start Friday at 5 p.m. at the high school tennis court, according to James F. Wright, chairman.

There will be three divisions for the junior high students and one for high school participants. There will be boys and girls singles and doubles in all divisions.

Gary Connally, Gary Smith and Tracy Rowland won first place in the three divisions of the Annual Jaycee Junior Golf Tournament held at the Lakeview Golf Course Tuesday, according to Ewell Mackey, tourney chairman.

The Veterans of Foreign Wars and their Ladies Auxiliary have reported a successful sale of Buddy Poppy Sale Saturday. Total received was \$183.38. Of this amount \$57.00 goes to the Veterans Hospital.

Installation of officers of the Hamlin Chapter, Future Homemakers of America was held last Tuesday afternoon in the home of Mrs. John D., Ferguson, sponsor.

Glenda Hudspeth, retiring president, installed the following officers: Sue Roddy, president; Revonna Kay Robertson, first vice president; Sharon Hawkins, second vice president; Vicki Newland, secretary; Beth Craig, reporter; Martha Robertson, historian; Janet Carson, song leader; Margaret Cooper, pianist; Jerry Elliott, parliamentarian; Pat Perrin, sergeant of arms.

The National Honor Society selected Lavonia Haught and Larry Braley as Citizens of the Year. Lavonia and Larry, as seniors, were selected for exemplifying friendliness, honesty, sportsmanship, and other fine qualities.

Visitors in the home of Mr. and Mrs. W. C. Eoff and Clifford during during the weekend were Mr. and Mrs. Ernest N. Henderson of Dallas, Mr. and Mrs. Claude A. Smith of Abilene, Tom and Atwell Henderson of Merkel and Nell Gary of Anson.

Neinda Water Supply Corp. members will meet tonight to pass a resolution requesting a federal loan of \$376,800 and a grant of \$295,000 to construct a water system to serve approximately 250 square miles of Jones and Fisher counties. The meeting will be held in the Hamlin Oil Mill Guest House. Both the loan and grant will be requested of the Farmers Home Administration.

Eternal Vigil...

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

Son-In-Law Is Taking Part In Program

Bob Buchanan, husband of Sharon Wheat and son-in-law of Mr. and Mrs. Park D. Wheat of Hamlin is an Austin paramedic assigned to public education in CPR (cardiopulmonary resuscitation) in Austin.

Backed by the American Heart Association, personnel of the Austin's new Emergency Medical Services Department have set out on an ambitious program to teach as many Austinites as possible the rudiments of CPR. He hopes that, within a few years, about 25 percent of the people in the city will

have had CPR training. The basics of CPR, according to Buchanan, are three: clearing a victim's throat so he can breathe, giving artificial respiration to help him breathe and administering closed heart massage if his heart has stopped.

In the 15th century some people carried a portable sundial in their pockets to tell the time.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Rev. R. M. Babb of Sylvester was guest speaker at the Baptist Church Sunday morning and evening. Rev. and Mrs. George are on vacation in New Mexico. Sure hope the fish are biting out there.

Mrs. Don Douglass and boys are spending a few days visiting Mr. and Mrs. Bill Guinn, Mr. and Mrs. Ross Douglass and other relatives and friends.

Mrs. Frank Kemp, Vila Avants, Annie Lee McFarland and Eddie Gibson went to Lubbock Friday to visit Mr. and Mrs. Leo McFarland and family and to attend the commencement exercises of Cindy McFarland. Seems like just yesterday Leo was helping keep the weeds out of the Kemp Brothers fields as a teenager.

Mrs. Zenobia Current, McCaulley school lunchroom supervisor, is scheduled to attend a workshop in Lubbock soon.

Commencement exercises Thursday evening ended the major school activities until next fall. Highest ranking Eighth Graders were James Jeffrey and Dennisa Decker. Honor certificates were presented to Julie Farmer,

Linda Williams, Debbie Everts, Stephanie Reed, Todd McKinney, Todd Jeffrey, Robbie Robertson, Tami Jeffrey, Bonnie Pippin and Max Kemp. Perfect attendance awards went to Debbie Decker, Bonnie Pippin, Carla Young and Barbara Coleman. High School Valedictorian Ronnie Williams, Salutatorian Glen Pippin and highest ranking girl Diana Mayes were also recognized. Dr. Roy Ellis, Hardin-Simmons University professor was speaker.

Ellis and Maudie Eivens of Fort Worth are spending a few days on their farm this week and visiting with old friends in the community.

Glen Gray and son Rick of Oxnard, Calif., and Earl Gray of Dallas were in McCaulley and Hamlin last Monday visiting friends and relatives. Glen and Earl attended McCaulley School in the forties. Earl's teacher was Roy Hennington who is retired and now living in Hamlin. The Grays visited Roy and purchased a copy of "Memories of McCaulley, Texas," edited by Mr. Hennington and Ora Carruth.

Glen was a former boxer, winning many titles and even boxed in Madison Square Garden, N. Y. The brothers contacted and visited with many old friends still in the area Stanley Jackson, Fred Kemp and Edd Farmer, and stayed overnight with Mr. and Mrs. Tom Prichard of Hamlin.

Sherrie, Todd and Jill McKinney will be leaving soon to spend some time with relatives in Brownsville and Tyler.

Visitors in the home of Mr. and Mrs. Charles Ferguson Sunday afternoon were Mr. and Mrs. W. J. Kemp of Hamlin; Mr. and Mrs. Paul Kiser and Kim of Tahoka; Mr. and Mrs. Jerry Easter, Stacy and Stephenne of Lubbock.

Fynes and Noveta Armstrong and daughter Betty Jo of Abilene attended the services at McCaulley Baptist Church Sunday and visited Noveta's mother, Mrs. Noah Wishert.

elect CARL DALLY

Judge of the Texas Court of Criminal Appeals

"Carl Dally has been a commissioner-in-aid to the court of criminal appeals for half a decade. He has argued before the U. S. Supreme Court and has had extensive experience in both the criminal and civil branches of the law. His opponent is a man with no judicial or appellate experience in criminal cases. We urge Texas Democrats eligible to vote in the June 5 runoffs to inform themselves of the qualifications of the candidates in this and all races. We urge them not to vote for a vaguely familiar name, but to vote for the best man. In the case of the runoff for the criminal appeals court, the best candidate is clearly Carl Dally."

AUSTIN AMERICAN-STATESMAN

The Fort Worth Star-Telegram calls Carl Dally "eminently qualified" and the Houston Chronicle says he is "uniquely suited" to serve on the Texas Court of Criminal Appeals. Dally is also endorsed by newspapers in Dallas, Lubbock, Corpus Christi, San Angelo, Tyler, Bryan, Beaumont, Port Arthur, Victoria and Wichita Falls.

Ask your lawyer, your district attorney, any judge, or informed friend about the candidates in this important race. Then vote for the best man.

COMPARE Sweetwater Savings' earnings with other savings plans!

A simple fact: SOME SAVINGS PLANS YIELD MORE THAN OTHERS. Why? Two factors determine the ANNUAL YIELD on a savings account. First, is the interest rate, and second, is the method of compounding that interest rate. Daily compounding produces a higher annual yield than quarterly compounding.

Before you deposit your hard earned money into a savings account, compare the ANNUAL YIELD with the ANNUAL YIELD at Sweetwater Savings. WHY TAKE LESS?

Compare Sweetwater Savings' rates, terms and ANNUAL YIELD with other savings plans.

SWEETWATER SAVINGS ANNUAL RATE	TERMS	SWEETWATER SAVINGS ANNUAL YIELD*	OTHER PLANS' ANNUAL YIELD*

Philosopher Comes Up With A Far-Out Idea to End the Worldwide Energy Problem

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One gives some thought to the energy problem this week, you might say.

Dear editor: According to people who're supposed to know, gasoline prices will go up this summer because, they say, of the law of supply and demand but it's probably also because of some people's knowledge of human nature. You have a car packed full of fishing gear, picnic supplies, swim suits and kids and the folks with gas to sell know a jump of five cents a gallon isn't going to hold you back. They understand children.

After all, somebody put all those highways out there and you know people feel an irresistible obligation to not let them go to waste.

This brings me to the energy problem and how to solve it. So far, about all the thinkers have come up with is conservation. Stop using so much gasoline, they say. Cut down on your driving. They mean business. Why, there are people so concerned over the waste of fuel they'll ride one-to-a-car going to a meeting to protest people going to work one-to-a-car. In earlier times, when people rode horses, they'd be protesting because people weren't riding double. This wasteful use of oats has got to stop.

Let's face it, this is the automobile age where people are going to get in their cars and go where they want to, to work, to play, or where ever.

LETTER TO EDITOR

Scoutmaster Expresses Thanks For Support

Dear Editor:

Our Scout troop is now in its third year as an active and industrious unit. We have grown in many ways since we rechartered two years ago. We have grown from four Scouts and one Scoutmaster to one of the strongest troops in the Northern District of the Chisholm Trail Council. Our total roster now includes 36 Scouts, four Scoutmasters, and seven troop committee persons. Our adult leadership has really been outstanding and is getting better all the time.

Our troop started out with hardly any equipment and what equipment we had was in serious need of repair. Now, our troop has built up its supplies so that we can do almost any type of hiking or camping during any time of the year.

I would like to express my personal thanks to the people of Hamlin for supporting us in the manner in which you have in the past. We would not be where we are today without your strong support. You have helped to create a good, strong organization that is very much needed in our community. With your further support our scout troop will strive to continue to be a better organization for the young men of our community.

Once again, for the Troop Committee and the Scoutmasters, thank you very much for all of the help given to our troop.

Sincerely,
S. Ferguson
Scoutmaster-Troop 143

until the earth is pumped dry of oil, and the answer is to find something besides gasoline that'll run the things.

Electricity is the answer. Now I don't understand the stuff. I can understand how you can send water or oil through a pipe but I don't understand how you can send electricity down a wire when it hasn't even got a hole in it. And I don't know what the stuff is. All I know is that if you can turn a generator, it'll turn out electricity. Where it comes from I don't know, but I don't think it uses up any of our natural resources, other than our money, and you don't have to dig, strip-mine or drill for it. Environmentalists would wither from lack of something to do if everything, including cars, ran on electricity.

And that's my point, we've got to invent a method of broadcasting electricity to a moving vehicle, whether a car, an airplane, a ship, a train, a motorboat or a motorscooter, with the electricity coming of course

Perfect Attendance

The following students in Hamlin Junior High and High School attained a perfect attendance record this year:

Eighth Grade—Stephanie Haught, Mary Holden, Carmen Quintanilla, Geneva Shelton, Tommy Allen, George Arce, Steven Campbell, Todd Marshall, Carl Pyron.

Ninth Grade—May Ruth Brown, Irma Gonzalez, Sheri Mink, Darla Pyron, Doris White, Ronald Brown, Jackie Cork, Ben Johnson, Larry Quintanilla, Mario Quintanilla, Wendell Roberts, Charles Ruiz, Claud Scifres, Carl Shearer.

Tenth Grade—Ruby Conner, Debra Hargrove, Gail Hertel, Nora Holden, Julie Jeffrey, Tracy Lee, Olivia Marshall, Benny Gutierrez. Eleventh Grade—Donna Pyron, Alvin Conner, Thomas Gonzalez, Stanley Jones, Edwin Wheat. Twelfth Grade—Gary Ford, Russell May, Lori Driver, Lena Lee.

BOY SCOUT NEWS

At a recent Court of Honor four Scouts received rank. Receiving their Tenderfoot rank were John Bill Maddox, son of Mr. and Mrs. Young Bill Maddox; and Joe Bob Carter, son of Mr. and Mrs. Joe Carter. Obtaining the rank of First Class was Steven Campbell. Wendell Roberts earned his Life Scout rank. Both Steven and Wendell are grandsons of Mr. and Mrs. George Campbell.

Three local Scouts have been selected to serve on staff this summer at Camp Tonkawa, located near Buffalo Gap. Britt Cary will be working in the archery department, while Wendell Roberts will be in the rifle and shotgun area. Tim Hawkins will be working in the camp cafeteria. They will leave Hamlin June 8 and should return the middle of July. Britt is the son of Mr. and Mrs. James Josey; Tim is the son of Mr. and Mrs. W. A. Hawkins.

Twenty local scouts plan to participate in Summer Camp activities at Camp Tonkawa June 13-19. All Scouts are urged to get their physicals before June 13 as they will be leaving on that day. Mr. Ferguson will take the physicals when they are completed.

The "tenderizer" in meat tenderizers is a natural plant enzyme called papain, obtained from the papaya fruit. The Food and Drug Administration says it is generally recognized as safe for use on foods which are subsequently cooked.

National Honor Society Officers

Hamlin High School National Honor Society elected new officers for the 1976-77 school year.

Officers chosen include Terry Mink, president; Elise Kelley, vice president; Sherry Carter, secretary; Treva Pettit, treasurer; and Denise Haught, historian-reporter.

Value of Homes Take Sharp Rise In County

(Special to the Herald)

New York - Families in Jones County are finding that the homes they own are much more valuable than they had imagined. Many of them are worth more than twice as much as they paid for them.

Their value has gone sky-high because of inflation and because the demand for homes, now that the economy is improving and mortgages are easier to obtain, has risen sharply. In many areas they are in short supply because there has been very little construction for several years.

An official of the American Savings and Loan Association reports that prospective buyers are out in such force in some communities that they are outbidding each other for whatever is available. Prices are shooting up as a result.

The equity that Jones County residents have in their homes, over and above the mortgage debt on them, is now approximately \$29,057,000 and is rising steadily. The figure applies to one-family, non-farm dwellings that are owner-occupied.

The facts and figures on the housing situation, locally and elsewhere in the United States, are based upon data gathered by the Department of Commerce, the National Association of Home Builders and others. They show that the average price in the United States of a new single-family house has gone from \$37,900 to \$42,300 in the past year alone. For used properties, the jump has been from \$33,850 to \$37,200. In some areas prices are higher than these and, in others, lower.

In Jones County the increase has been considerable since 1970. At that time the median value of the 4,183 local dwelling units was \$6,700 and their total value, \$28,026,000, according to the Census Bureau.

The current value of one-family homes in the area, applying the average rate of increase locally, comes to approximately \$60,536,000.

The figures show that most homes in the United States—three out of five of them—have mortgages on them.

As for the local regional area, some 60.6 percent are mortgaged, according to the most recent government figures.

JON NEWTON
Texas Railroad Commission

The Railroad Commission is one of the most powerful regulatory and conservation agencies in America. Two candidates are in the June 5th Democratic runoff election:

JERRY SADLER, 68, who entered politics in the 1930's, was defeated as Land Commissioner in 1970 after an official reprimand from the Texas House for refusal to cooperate in an investigation . . . bad absentee record in public office . . . investigated by a grand jury for using a state employee to run his private motel . . . sued for civil tax fraud by the IRS . . . in 1969 the Dallas Times Herald declared "Sadler has made Texas government a universal target of ridicule and derision," and in 1976 the San Angelo Standard echoed, "Under Sadler, the Railroad Commission just might become the laughing stock he once made of the General Land Office."

JON NEWTON, 34, three-term House member with solid record of public service . . . authored the law regulating strip mining . . . fought for a Public Utility Commission . . . serves on Interstate Oil Compact Commission, Mining Council of Texas, Governor's Energy Advisory Council, House Energy Resources Committee (vice chairman) . . . endorsed by major newspapers throughout Texas . . . described by the Lubbock Avalanche-Journal as "the resident expert on energy matters in the State Legislature" . . . in the first Democratic primary his Bee County neighbors gave him an 85% majority over his seven opponents.

Texas' energy and utility rate problems can be solved only by vigorous, responsible leadership and fresh approaches.

VOTE FOR THE QUALIFIED, RESPONSIBLE CANDIDATE.

Texas Taxes

By **BOB BULLOCK**, State Comptroller

AUSTIN—Some Texas consumers are being charged sales tax by mistake on non-taxable items.

The Comptroller's Department constantly attempts not only to collect all taxes legitimately owed to the State of Texas, but also to insure that no taxpayer pays more taxes than required by law.

We are trying to help those taxpayers who are overcharged save those extra pennies.

The problem occurs most often in drive-in, fast-stop grocery stores. While many items sold in such stores are taxable, take-home food is not.

Many of these stores now sell sandwiches and offer their customers the choice of heating it in a radar oven or taking it home. Drive-in groceries are not considered eating establishments. Often, however, the clerks in these stores are not aware of the subtleties of the law and mistakenly charge the tax on the sandwich as a restaurant would be required to do on a meal.

If the item cost 95 cents, the tax collected in error would be five cents. The consumer loses a nickel. As we all know so well—especially during these tough economic times when inflation is depleting almost everyone's pocketbook—those pennies and nickels add up fast.

Folks trying to make ends meet simply cannot afford to be overcharged on their taxes.

Stores also sometimes make the mistake of adding the sales tax to the price of items like potato chips, fruit pies, ice cream bars, and unsalted peanuts. Although many so-called snack items—such as candy, cold drinks, popcicles, and chewing gum are taxable—those are not. For example, no milk product sold in a grocery store, even if it is an ice cream sandwich or a fudge bar, is taxable.

When consumers pay more taxes than the law requires, the State of Texas rarely gets the money. The people who keep books for a business like a grocery store generally know what is taxable and what is not. They just find a little extra money in the cash register and assume it to be profit.

None of this means the merchants involved are necessarily overcharging on purpose. It generally means only that a sales clerk is making a mistake—but unfortunately a costly one for the taxpayers.

The Comptroller's Department doesn't want you to be charged more taxes than you owe, and we work with retailers every day to help insure that you are not. If there is ever any question about whether an item is taxable, just ask us and we will give you an answer.

IF YOU HAVE ANY STATE TAX PROBLEMS OR QUESTIONS, CONTACT YOUR LOCAL COMPTROLLER'S FIELD OFFICE OR CALL TOLL-FREE: 1-800-292-9687.

BEEN ON A TRIP? That's news, call the HERALD.

FFA CONTEST WINNERS—Three top winners chosen from each second grade room in the Farm Art Book Coloring Contest sponsored by the FFA chapter as a part of the Food for America program are, from left, back row, Marcie Ferguson, first; Lydia Ribera, first; Michael Howerton, second; Faustine Armijo Jr., first; Gina Bond, second; front row, Max Reyes, third; Sonia Martinez, second; Kimberly Weaver, third; and George Scifres, third.

Gospel Concert In Spur to Benefit Olympic Hopeful

SPUR— The Spur Track Club is sponsoring a gospel concert to benefit olympic track hopeful, Essie Kelley, according to an announcement this week by Chuck Harrison, club president.

Johnny Ray Watson, a former all state basketball and football player from Lorenzo, will be the featured singer. Mr. Watson, who now makes his home in Amherst, plans to go into full time evangelistic singing.

The concert will be held in the Spur Primary School Auditorium, Friday, June 4, at 7 p.m. Admission will be \$2 for adults and \$1 for students.
